Report of the National YMCA Competitive Swimming and Diving Council:

C. Eugene Keltner, Chairman

Eastern Airlines Annual

As James O. Plinton, Jr. President of the National YMCA Council., said to us in 1979, "Our Aquatic Programs are rapidly becoming values orientated. It is my happy conviction, therefore, that our programs have not only helped to develop your athletic powers to championship caliber but your values development has kept pace to make each of you a finer human being."

As Mr. Plinton was making that statement to you, palns were being developed to forge ahead to the 1980s. Our Values Program, Officials Certification, Coaches Certification plus a new National YMCA Swimming and Diving Rule Book will be ready for us this year. As you read this message, the printing presses are busy preparing the material for you.

I ask all of you who are involved in our National Swimming and Diving Council work, every swimmer, coach, parent, and YMCA Association, to put emphasis on making sure your layman and staff are all working toward excellence in YMCA swimming and Diving.

A new film for our National Swimming and Diving Program will be produced at our National Championship. The film will be available to all swimmers, coaches and laymen in the world by June 1st of this year.

The National Swimming and Diving Council is represented on the new National Competitive Swimming Committee, Inc., Board of Directors by James R. Stocker, past Council Chairman and present Treasurer. Mr. Stocker was appointed by the Executive Committee on January 21, 1980.

To all of you: Welcome to our super Championships. God bless you and rember, :It Starts With Me!"
